

Lorain County Township Association

Dear Advertiser,

It is time to update our township directory for 2012 - 2013. Thank you for the privilege to have your ad placed in the 2010/2011 association directory. New advertisers are also welcome to place an ad in the new 2012/2013 directory. The previous directory was distributed to approximately 2500+ individuals, township officials and businesses. We know your advertising dollars are well spent with our directory.

Again, we would like for you to partner with us to make this resource book available to distribute. If you advertised with us last year, we are enclosing a copy of your previous ad to review and make any necessary changes. The form also includes all pertinent information regarding cost and mailing to have your ad published.

Any questions, please feel free to contact me or committee member at any time of the following numbers:
